

ROB LEGG INVITATION SERIES

The RL24 Association proudly announces that the 3 Invitation Races that precedes the Nationals each year will now be known as the *Rob Legg Invitation Series* to honour the late Rob Legg our class designer and for his contribution to Australian Sailing.

The series will be open to all RL24 members even if they are not intending to compete in the National Championship. It is designed to encourage owners to come and try and be a part of our class without having to commit to a week of sailing.

The *Rob Legg Invitation Series* now has a perpetual trophy as can be seen below.

The RL24 Owners Association of Australia would like to thank Phil Lowe from Illawarra Yacht Club for his fantastic efforts in making this new perpetual *Rob Legg Invitation Series* trophy.

The trophy consists of a model of an RL24 in the foreground and the original RL24 Class flag made for the first National Championships held at Southport, Qld in 1974.

Please come and be a part of the series to enjoy the sailing and family friendship this class is renowned for.

For more information on the National / and Invitational Series visit the [Rob Legg Yachts](#) website.
